The Indian Polo Association.

Prior to 1891, each annual Tournament held in India, few though they were, framed not only its own rules for the conduct of the Tournament but also its own polo laws; the only similarity about the various codes of the latter being their objective, *viz.* the safety of the game and its welfare.

Most of these codes were badly worded, badly arranged, vague and unsatisfactory. An exception was the code in force at Bombay, which at that time had a flourishing and influential tournament.

The Inter-Regimental Tournament adopted the Bombay Code in the year 1888. This was a step in the right direction, but it occurred to some lovers of the game, to one of whom the Association is indebted for the present details from some interesting original documents connected with the formation of the

Association, that, in order effectually to put an end to existing, and prevent future confusion in the laws of the game, and to place those laws on a firm, satisfactory and enduring basis, the best. if not the only method, was the formation of a governing body to fulfil functions in relation to Polo in India similar to those of the M. C. C. towards cricket.

As there was not, at that time, any such body, the situation was, so to speak, vacant, and the idea of forming an association to fill it was circulated at the Inter-Regimental Tournament at Ambala in March 1891.

The idea caught on; the representatives of 16 regiments pledged themselves to support it, and it had also the support of Bombay.

An Honorary Secretary, H. S. Follett of the 7th Dragoon Guards, was appointed; preliminary meetings were held at Simla and Ambala in September and October

respectively of that year, 1891; and in March 1892, the Indian Polo Association, as such, met for the first time, with its constitution, Polo laws and rules for the regulation of tournaments and for the height and measurement of ponies, drafted and moulded into a form very similar to that of to-day.

Certain changes have been made in the rules and laws adopted by the Association at the time of its formation. In point of number, these changes are comparatively few; but some of them are important and far-reaching, and were introduced by reason of the necessity of keeping abreast of the development of the game resultant from its increasing popularity not only in India, but also in other parts of the world.

The fact that these important changes in the laws of the game have been introduced by the Association and accepted throughout India is the strongest proof,

if any were needed, of the necessity for the formation of the Association; for though, without it, these changes might have been introduced locally into this or that Tournament or Club, it would have been impossible to have procured their recognition by all Clubs simultaneously throughout India in one precise and similar form; and the result would have been that very confusion which the Association was designed to prevent.

The object of the founders of the Association, aided, as from the commencement it has been, by the support of players throughout India, has been achieved. As was originally hoped and intended, the Association is now, by virtue of the long continued and voluntary submission of all polo players in India to its jurisdiction, the recognised supreme authority in India over Polo; it is the only authority so far as India is concerned which can amend, alter, vary, modify or

annul the existing laws of the game, or frame new laws; and it is the final tribunal of appeal in all matters in difference or dispute concerning polo.

It has in fact become, as it was hoped it would become, and by the same mode of operation, the precise counterpart in relation to Polo in India, of the M. C. C. in relation to cricket throughout the world.

No better proof than this, if indeed proof were necessary, could be required of the service which has been rendered to polo by the formation of the Association.

It survived the shock of 6 years' war, being kept going by those interested in its preservation.

In 1928 the Office of the Association moved from Meerut to Simla/Delhi, (Army Headquarters).

Rules for the Regulation of *Tournaments played under I.P.A. Rules, and for Handicapping.*

SANCTION TO HOLD TOURNAMENTS

1. Whenever it is proposed to hold a tournament, for which the trophy or trophies (including any challenge cup) exceed in value Rs. 75, permission shall be obtained from the I. P. A., and a prospectus in duplicate submitted to the Hon. Sec. for approval.

CHANGES OF CONDITIONS OR DATE

2. Any change of conditions or date due to postponement, or other causes, will be submitted to the Hon. Sec. before publication.

TOURNAMENT COMMITTEE

3. All tournaments played under the rules of the I. P. A. will be under the management of a committee of three, who will be elected locally and known as the Tournament Committee (The Station Polo Committee, see

para 1 Station Polo, would generally suffice, one of them acting as *Hon. Sec.*).

DURATION OF PLAY ETC

4. *The duration of play, the* number of ponies allowed to be played by teams in a tournament, and the constitution of competing teams, shall be decided locally, provided that the maximum duration of play in any match does not exceed sixty minutes, all in.

In open tournaments the I.P.A. recommends that there should be no limitation of ponies.

In handicap tournaments the normal number of ponies to be played will be one pony per player per chukker. Clubs are at liberty to suggest modifications in this matter but a statement giving reasons for wishing to

deviate from the normal rule will be made on the Prospectus when it is sent to the I. P. A. for approval.

Where there is a limit to the number of ponies, Captains of teams will send at the commencement of a tournament a certificate to the effect that the number laid down will not be exceeded.

NATURE OF TOURNAMENT

5. A tournament can be played on—

(*a*) The Knock-out System.

(*b*) *The Pool System, each team meeting the other in turn.*

If played under (*a*) the teams will be drawn against each other. If however the number of competing teams is not a multiple of 2, such as 4, 8, 16 etc., the necessary byes will be drawn as

equally as possible in each half of the bracket. All byes will be in the first round *vide* Appendix (D).

For instance, if 13 teams are competing, 3 teams will be drawn as byes (one in the upper half and two in the lower half of the bracket) while the remainder play off, leaving 8 teams to play in the second round.

DEFINITION OF WINNER.

If played under (*b*) the team winning the greatest number of matches shall be deemed the winner. *In the event of two or more teams having won an equal* number of matches, the winner shall be that which has the greatest number of goals to its credit, either as the result of handicap or a combination of handicap and goals actually hit.

If still a tie, then the team which hits the greater number of goals shall be deemed the winner.

PONIES

6. Ponies of any height may be played.

DISQUALIFICATION OF A PONY

7. All Clubs and Regiments shall undertake that no pony shall be permitted to play unless licensed by them as suitable and safe.

It is the duty of the representative of the Club Committee where Polo is being played to warn an unsuitable pony off the ground, and disqualify it from being played again during the game, match or tournament. No pony suffering from any defect likely to cause danger, such as being blind of an eye, shall be allowed.

TEAMS MUST BELONG TO AN INSTITUTION WHICH IS A MEMBER OF THE I P A

8. Each member of a team playing in a tournament under I. P. A. rules must be a playing member of a club affiliated to the I. P. A.

Membership for the purpose of playing in any particular event will not be accepted after the date of closing of the entries.

UMPIRES

9. The Tournament Committee shall ensure that the Umpires selected thoroughly understand their duties. Selections should be made, whenever possible, from the list of Official Umpires published in the I. P. A. Calendar, in time to permit a study of these and other rules and regulations.

GOAL JUDGES AND THEIR DUTIES.

10. One goal judge, with one assistant for each goal, shall be appointed by the Tournament

Committee. Their duties are:—

(*a*) To assist the umpire in deciding if a goal has been scored (see Field Rule 8).

(*b*) To assist the umpire in deciding if the ball has been hit over the back line by the side defending that line (see Field Rule 11).

(*c*) When the ball crosses the inner edge of the back line the goal judge, who is generally in a better position to see than the Umpires, should raise his arm. This enables the Umpires to decide at once if the ball has gone behind the line.

(*d*) The goal judges must place themselves so that they can be certain if a ball goes between the goal posts. This is best done, when a shot at goal is

made from an acute angle, by placing themselves directly behind the goal posts and on the line of the ball.

(*e*) To place the ball for a *hit in* (*see Field Rule 10*).

They shall be provided with a red flag, which they will wave if a goal has been scored, and a white flag which they will wave whenever the ball crosses the back line. They will continue to wave it until it is acknowledged by the scorer, time-keeper, or other official. If in doubt as to whether a goal has been scored or not, the goal judge shall await the arrival of the umpire or umpires, who shall decide. If the umpires are unable to agree, the question shall be referred to the referee, whose decision shall be final.

REFEREE

11. The Referee appointed by the Tournament Committee should be thoroughly conversant with Tournament Polo and all rules and regulations.

TIME-KEEPER AND SCORER

12. An official time-keeper and scorer shall be appointed by the Tournament Committee.

ALL-INDIA HANDICAPPING COMMITTEE

13. The I. P. A. All-India Handicapping Committee shall consist of:

The Stewards.

The Hon. Sec., I. P. A.

" " Inter-Regimental Tournament.

" " Indian Cavalry Tournament.

" " Infantry Tournament.

and such additional members as the Stewards think fit.

This Committee is the final authority on the handicapping of players belonging to clubs which are members of the I. P. A. except in the case of an appeal against the decision of a Command Steward. [*vide* Rule 15 (*b*) sub-para (*i*)]. In that case final authority to dispose of the appeal are the Stewards of the I. P. A.

Any member of this Committee who is present at a tournament may note the play of any individual, and submit recommendations for alterations of any handicaps to the Hon. Sec., I. P. A.

Such recommendations will be noted by the Hon. Sec. with a view to assisting the All-India Handicapping Committee when considering the handicaps of players for the following Polo Year.

PUBLICATION OF HANDICAPS.

14 (*a*) For the assistance of clubs desirous of organizing tournaments under the Handicapping System, a list of players with their handicaps is published annually in the Calendar, and Supplementary Lists will be published from time to time.

(*b*) These handicaps will hold good for the current Polo Year, *i. e.* **from 1st May to 30th April.** The Supplementary Lists above mentioned will contain the approved handicaps of any players whose names do not appear in the Calendar.

(*c*) Ordinarily the handicap of a player once published, either in the Calendar or in a Supplementary List, will not be open to revision until the following Polo Year.

(*d*) In the case however of a player having been obviously over or under handicapped, it shall be the duty of the Steward to whose notice the case has been brought to recommend to the Vice-President, I. P. A. an increase or decrease in the handicap of the player concerned. The Vice-President, I. P. A. will approve any alterations that he considers suitable.

METHOD OF HANDICAPPING.

15. Handicaps of players will be arrived at as follows:—

(*a*) During December the Stewards will nominate a Select Committee to note the form of players in the undermentioned tournaments:—

I. P. A. Championship.

Lahore Xmas.

Indian Cavalry.

Prince of Wales' Cup.

Infantry Tournament.

Inter-Regimental Tournament.

Western India Championship.

After each of the above tournaments the Select Committee will forward to the Hon. Sec., I. P. A. a list of the handicaps recommended for the players in these Tournaments.

This list will be submitted to *the I. P. A. All-India Handicapping Committee, and when* approved, will be circulated to all clubs belonging to the I. P. A. **by the 1st April annually.**

(*b*) On the basis of the above list Local Handicapping Committees, to be appointed by Committees of local clubs, will handicap all the playing members of

the club and submit their lists in accordance with the following instructions:—

(*i*) Hon. Secs. will submit their lists **to reach their Command Steward,** or in the case of local clubs in Bengal, Assam and Bihar the Calcutta Polo Club Steward, **without fail by the 1st May annually.** Stewards will examine *these lists and will forward* their recommendations so as to reach the Hon. Sec., I. P. A. by 15th May annually. The Western Command' Steward will forward the handicap lists of the Polo Clubs with which he is connected by the 1st July annually. In

the event of a Steward not confirming the handicap of any player he will inform the club which handicapped the player of the alteration proposed by him. The recommendations of the Steward will be accepted by the I. P. A. subject to the right of the player concerned to appeal to the Stewards of the I.P.A. In the case of such an appeal being made, a deposit of Rs. 10/- per player will accompany each such appeal. The deposit will be refunded if such appeal is upheld by the I. P. A.

(*ii*) Clubs in hill stations and other parts of India where tournaments are played during the hot weather

season may, if they wish, submit supernumerary lists through their Command Steward at the close of their season.

(*iii*) A seconded officer of the Army will be handicapped, and his handicap submitted, by the club with which he plays at the station in which his appointment is held.

(*iv*) Names of players on all lists will be arranged in alphabetical order; the initials of each player and the polo club (in the case of an army player his unit polo club) to which he belongs will be shown. In order to save space and avoid endless corrections the addition of a player's rank and

decorations after his name has been abandoned, except in the case of certain Indian players where rank is added as a help to distinguish one from another. Both the existing handicap of each player, if already in possession of one, and that suggested for the current polo year will be shown.

(*v*) In submitting his handicap list an Hon. Sec. should omit the name of any player whom he is aware will not be playing during the current polo year.

(*c*) Any player whose name is not in the Calendar may be handicapped at any time by the Local Handicapping Committee. Such additional handicaps will be forwarded to the Hon. Sec.,

I. P. A., through the Command Steward concerned, and will come into force from the date of approval.

The Hon. Sec., I. P. A. will notify the Command Steward concerned of the date of approval of such handicaps, and include them in the Supplementary Lists to be published from time to time.

CALCULATING HANDICAP OF TEAM.

16. For calculating the handicap in tournaments of less than 8 chukkers, the following procedure will be observed:—

The total aggregate of one team shall be subtracted from the total of the other, and the resultant figure treated as follows:—

In a 6 chukker events 6-8ths ($\frac{3}{4}$) of the above resultant figure will give the correct handicap,

fractions of a goal being taken into account in case of a tie.

As, for example:—

Total handicap of team A is 16.
" " " B is 9.

The difference is 7.

$\frac{3}{4}$ of 7 is $5\frac{1}{4}$, therefore B receives 5 goals from A, but in case of a tie at the end of the 6th chukker B will be declared the winner on account of the fraction of a goal.

A four chukker tournament will be treated in a similar way.

NUMBERS TO BE WORN BY PLAYERS

17. In all tournaments numbers, not less than 10 inches in size, will be worn by all players. These should be fastened to the player's back.

QUESTION TO BE REFERRED TO I. P. A. STEWARDS.

18. Any question which may arise in the course of a tournament, and which is not provided

for in these rules, shall be referred for decision to the Tournament Committee who may, if they think fit, refer the matter to the Stewards of the I. P. A., whose decision shall be final.

19. Captains of teams when entering their teams for any tournament recognised by the I.P.A. will certify (when submitting their entry) that all members of the team are eligible to play in the tournament, each having paid his individual subscription to the I. P. A. for the year during which the tournament is to be held.

Instructions for the Guidance of an Honorary Secretary of a Tournament.

No tournament can be a success unless the Hon. Sec. knows his job and does it. The following is a list of his duties :—

1. Draw up a draft prospectus *vide* Appendix (A) in Calendar. Despatch two copies of the same to Hon. Sec., I.P.A.

One copy of the same will be returned with sanction to hold the tournament along with score sheets and any observations the Hon. Sec., I. P. A. may see fit to make.

2 Get prospectus printed and circulated to clubs concerned, sending one copy to Hon. Sec., I. P. A.

3. As the time for holding the event draws near, arrange for stabling, grass and grain for ponies of visiting teams, also how and where teams are to be accommodated. Arrange for latter to be made Honorary Members of such clubs as admit Honorary Members of this description.

4. If the Hon. Sec. is a Regimental officer he should arrange for a few orderlies to be at the Railway Station to meet incoming teams and their ponies. They should be provided with lamps. Ponies arriving late (after dark), should find water and hay awaiting them in their stable.

5. Obtain from Captains of teams the exact composition, handicaps (if the tournament is a handicap event), colours and lists of ponies to be played.

6. Arrange for umpires, referees, goal judges, scorer, time-keeper, gate keepers etc., and see that they know their duties.

7. Assuming that the ground is in order, see that it is properly marked out, and flags properly placed; and that spectators are provided with sufficient and suitable accommodation. If some one is "at home" select position for tents and do not allow any pegs or ropes nearer to the boundary than 18 feet.

8. Have programmes prepared, but await final printing until day of match. Have tickets of admission printed, if required. (Members of teams and officials receive complimentary ones).

9. On day of match have a table 6 × 3 feet for time-keeper and officials placed where those

using it won't be interfered with. Have a sufficiency of chairs. On table have paper, pencils, scoring sheets, red and white flags, stop watch, bell, and umpires whistles; close to table a basket of new balls and a trumpeter.

A black board or some suitable contrivance, showing the score should be placed where visible to spectators.

10. The reporting of all tournaments (and more especially the more important ones *e. g.* I. P. A. Championship, Inter-Regimental, Indian Cavalry Subalterns and Infantry Tournaments) is a matter to which the Stewards of the I. P. A. request Honorary Secretaries to devote their consideration as, by following the recommendations given below, Honorary Secretaries will

ensure the adequate reporting of their tournaments and give pleasure to members of the I. P. A. who are unable to be present.

When members of the Press are present, not only should the facilities of free passes, separate tables, programmes, pencils and paper be extended to them, but specially selected polo players should be detailed to assist them in preparing their reports; thereby enabling reporters to "serve up" a really live description of the game instead of the somewhat insipid reports, with technical inaccuracies, which are at times published.

11. A farrier should attend.

12. At each goal have two chairs placed well back from the goal line, one red and one white flag each at least a foot square, and a basket of new balls.

13. As a rule competitors' ponies are better placed on the opposite side of the ground to spectators; if so, see that a dressing tent with all appurtenances, and a few drinks, are provided.

14. If many spectators are expected, arrange with local police officials for a few constables to control traffic.

15. Arrange who is to present trophies.

16. Two minutes before play is advertised to start, and again after three minutes of the half time interval have elapsed, sound the mount.

17. On conclusion of the final have a small area kept for presentation of trophies.

18. On conclusion of final, after presentation of trophies, the Hon. Sec. usually calls for three

cheers of the winners, the Captain of the winning team three cheers for the runners-up, and some one else three cheers for the person presenting the trophies.

19. A stretcher with bearers and a float should be easily available in case of accidents.

20. On conclusion of event the Hon. Sec. should despatch as soon as possible to the Hon. Sec., I. P. A. the following papers:—

Handicaps not published in the Calendar or supplement.

Results of matches.

Scoring sheets, including names of umpires and referee.

Names of players composing the teams.

Printed copy of Prospectus.

STATION POLO.

1. In every station where Polo is regularly played, the players shall elect a Committee from amongst the most experienced polo players, to be called the "Station Polo Committee."

2. It is the duty of this Committee to regulate all matters in the station connected with Polo, and to see that the station games are played in accordance with the rules. Ignorance of the rules by young players tends to a great deal of the unfair and dangerous riding often seen in station games, which it is the duty of the Committee to stop.

3. The Committee will arrange for occasional "slow periods" for unbroken ponies and beginners. No pony which is not thoroughly broken, and no player who is a bad horseman, or who does not know the rules of the game, should be allowed to play in a "fast game."

4. An umpire must be appointed for matches of any sort. But for ordinary station games, as it is generally impracticable to provide an umpire, any two members of the Polo Committee must interpret the rules and settle any disputes that may occur.

5. When a goal is scored in a station game, sides change ends, as laid down in the rules, but instead of returning to the centre of the ground to re-start the game, the side which scored hits the ball in from their new back line.

6. Likewise when the ball is driven over the side lines, it is brought into play by one of the players hitting it into the ground. In this connection a useful custom is to make the person who hit it out, hit it in, regardless of seniority. This deters, if it does not prevent, persons thoughtlessly hitting the ball out of play, and tends to keep the ball in the centre of the ground.

7. The Committee will see that no player plays any portion of a game without a polo helmet or lungi. But even this precaution is useless, unless players themselves see that their helmets are firmly secured under their chins with a strong strap, which will not break, or come off, in a fall.

8. As a rule penalties are not taken in station games, but persons infringing the rules should be made to understand that there is a law above the rules.

9. In chukkers organised to train young players and ponies, none should be allowed to hit the ball more than three consecutive times, or sufficiently hard to frighten ponies unnecessarily.

A Challenge Cup presented by

RULES FOR THE REGULATION OF THE TOURNAMENT.

DATE AND PLACE

1. (*a*) The tournament will take place at Meerut concurrently with the Inter-Regimental Polo Tournament.

The draw and play of the Subalterns Tournament will be arranged so as not to interfere with the normal sequence of games of the Inter-Regimental Tournament.

No team will be required to play in the Subalterns until its Regimental Team has been eliminated from the Inter-Regimental. And as far as possible the committee will arrange that no team enters the final without playing in at least one previous round.

In the event of a large number of entries, and also for economy's sake, the committee may order some teams to play off the first round at local centres.
